**Re: Person, Mark**

**June 13, 2022**

**Page 2**

**Supporting Evidence:** It is alleged that Mark Person violated the terms of his supervised release by failing to attend substance abuse treatment since approximately June 7, 2022.

On June 3, 2022, Mr. Person successfully completed inpatient treatment with Spokane Addiction Recovery Centers (SPARC). While engaged in inpatient services, SPARC staff coordinated the offender's intensive outpatient treatment services (IOP). He was scheduled to begin IOP on June 7, 2022.

On June 10, 2022, telephone contact was made with his counselor for IOP at SPARC. They advised, since discharging from inpatient treatment, Mr. Person has not engaged in IOP, which he was enrolled to begin classes 5 days per week starting June 7, 2022.

2

**Special Condition #7:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mark Person violated the terms of his supervised release by failing to appear for random drug testing on or about June 7 and 8, 2022.

On June 3, 2022, Mr. Person successfully completed inpatient treatment with Spokane Addiction Recovery Centers (SPARC). He was advised to resume random drug testing in which he is required to call the testing line daily to determine if he would be required to appear that same day for testing.

On both June 7 and June 8, 2022, Mr. Person failed to appear for drug testing.

It should also be noted, on the morning of June 8, 2022, the offender left the undersigned a voice message advising he was aware he missed a drug test the day prior and he intended on drug testing on June 8, 2022.

3

**Special Condition #7:** You must abstain from the use of illegal controlled substances, and must submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from these substances.

**Supporting Evidence:** It is alleged that Mark Person violated the terms of his supervised release by consuming a controlled substance, methamphetamine, on or about June 5 and 9, 2022.

On June 10, 2022, Mr. Person reported to the United States Probation Office and admitted to consuming methamphetamine on multiple occasions from June 5 to 9, 2022. He then signed a drug use admission form.

4

**Standard Condition #5:** You must live at a place approved by the probation officer. If you plan to change where you live or anything about your living arrangements (such as the people you live with), you must notify the probation officer at least 10 days before the change. If notifying the probation officer in advance is not possible due to unanticipated circumstances, you must notify the probation officer within 72 hours of becoming aware of a change or expected change.

**Re: Person, Mark**

**June 13, 2022**

**Page 3**

**Supporting Evidence:** It is alleged that Mark Person violated the terms of his supervised release by failing to report a change in residence, on or about June 11, 2022.

On June 10, 2022, Mr. Person reported to the United States Probation Office. During this contact Mr. Person worked with a probation officer to enroll in services with Adult and Teen Challenge, a year long residential program located in Airway Heights, Washington.

Mr. Person was accepted into the Adult and Teen Challenge program and efforts were made to have him enter the program that same day. Mr. Person advised he could not be ready that same day and made arrangements to get a ride to Adult and Teen Challenge on June 11, 2022, at 1 p.m.

On June 13, 2022, contact was made with Adult and Teen Challenge. It was reported that Mr. Person did not enter their program as scheduled and efforts were made to try reaching him, but were unsuccessful.

Contact was then made with his roommate, who is also his landlord. She reported that Mr. Person did not want to go to Adult and Teen Challenge because he did not want to sleep next to a person who snores. She further advised that she told him that he can no longer live in her home due to his methamphetamine use. He last stayed at her residence on or about June 10, 2022.

On June 13, 2022, efforts were made to reach Mr. Person by phone, via voice mail and text messages, however, he has not responded.

Mr. Person's whereabouts is currently unknown

The U.S. Probation Office respectfully recommends the Court issue a **warrant** requiring the offender to appear to answer to the allegations contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
